To Whom It May Concern:

It is my pleasure to have the opportunity to write this letter of recommendation for JJ Penfield. I highly recommend JJ Penfield as a candidate for a teaching position in your school district. JJ and I worked together at Rolling Ridge Elementary in the Harbor Creek School District, as she served as a second grade teacher, long term substitute teacher, and a day to day substitute teacher.

JJ has substituted at a variety of buildings in our district as well as a variety of grades and age levels, which give her an array of experiences. JJ is able to adapt easily to the environment in which she is working in. She is well respected by her peers, students, and families she has come into contact with. Being a special education teacher, I know that JJ is extremely flexible, easy to work with, is very in tuned to her students needs, and is very enthusiastic and passionate about what she does.

JJ has a wonderful rapport with people of all ages, especially children. Her ability to connect with her students and her talent at teaching simple concepts, as well as more advanced topics, are both truly superior. She has excellent written and verbal communication skills, is extremely organized, and reliable. JJ accomplishes tasks with great initiative and with a very positive attitude. JJ is creative and is always open to new ideas.

I recommend JJ to you without reservation. If you have any further questions, please do not hesitate to contact me.

Sincerely,

Mrs. Lauren Radwan
