To Whom It May Concern:

It has been a pleasure to share my kindergarten classroom with Mrs. Jennifer Penfield. Mrs. Penfield achieved a level of professionalism rarely seen in student teaching. She arrives early, stays late, and is very dedicated to her lessons. She shows her love for teaching and the students in every lesson she teaches.

Mrs. Penfield is very organized and her lessons are well planned. She was responsible for teaching math, language arts, science, guided reading, and fine motor activities. Additionally, she had to organize centers. She is enthusiastic and excited about teaching. She uses classroom management strategies in a way that is both effective and appreciated by the children. She has a sincere understanding of each student's self esteem and ability level. Her rapport with the children conveyed her sensitivity and compassion towards them at all times. Mrs. Penfield's use of technology in her lessons is outstanding. The children have enjoyed using the smart board and watching a variety of power points. The children eagerly wait for each lesson to begin.

Mrs. Penfield has a great deal of professionalism when talking with parents and other colleagues. She is very confident in sharing her ideas. Her knowledge about the content being taught is evident. She is respectful and confidential when discussing issues with parents and other support staff.

I respect Jennifer as a teacher. Her dedication to the education field, her outstanding organizational skills, and her superb teaching ability, leads me to believe that Mrs. Penfield has the dedication and knowledge to be a successful teacher. She will be an asset to any teaching staff. Without hesitation, I give Mrs. Jennifer Penfield my highest recommendation. She will be a great asset to the district that hires her. I would be very happy to talk with you further about Mrs. Jennifer Penfield. If you should need more information, call me at home 725-5010 or at school 725-8671 ext. 3050.

Sincerely,

Stephanie Fisher
Kindergarten Teacher
North East School District
